

Trade Up for Precision

Upgrade your laboratory with a new Eppendorf pipette

Are your pipettes no longer delivering the precision and accuracy that you need? After prolonged use, even the best tools can lose their reliability. Elevate your research with a brand new Eppendorf pipette, renowned for its exceptional performance and durability.

Trade-In Offer *

Exchange your old pipette (no matter the brand) and take advantage of our exclusive trade-in offers. Enhance your laboratory's efficiency and ensure your experiments yield the most accurate results.

- > Attractive exchange prices
- > Free disposal of old pipettes
- > Also available via participating dealers

Visit us today to discover how easy it is to upgrade your essential laboratory tools!

* An Eppendorf representative will evaluate your original pipette and prepare your personalized trade-in quote to confirm your final offer. This includes (but not restricted to):

1) Any brand of manual, single-channel pipette can be exchanged for a discounted price on an equivalent Eppendorf Reference® 2 or Eppendorf Research® plus.

2) Any brand of manual, single-channel dispenser can be exchanged for a discounted price on an equivalent Multipette® M4.

3) Any brand of electronic, single-channel dispenser can be exchanged for a discounted price on an equivalent Multipette® E3/E3x.

This promotion is valid in selected countries from July 1, 2025 until December 31, 2025. A completed Eppendorf decontamination form must be supplied along with your original pipette. Full promotional terms and conditions are available at <https://explore.eppendorf.com/Trade-in-Inquiry.html>
